WHEN IT WORKS

TNR IS SHOWN TO WORK WHEN CATS ARE FIXED USING A TARGETED APPROACH, ONE COLONY AT A TIME, AND ENSURING A MINIMUM OF 90% OF CATS IN THE COLONY ARE FIXED.

THE BC SPCA PROVIDES APPROXIMATELY \$100,000 A YEAR THROUGH THEIR COMMUNITY ANIMAL SPAY NEUTER GRANT PROGRAM TO ASSIST GROUPS FIXING CAT COLONIES IN THEIR COMMUNITY.

The mission of Forgiven Felines and Fidos (FFF), a nonprofit, all volunteer, no kill animal organization in Germansville, PA, is to reduce the number of homeless, unwanted cats by offering a low-cost spay/neuter program and by working together with the community to help control the feline population.

Call 610-760-9009 for a spay, neuter & TNR appointment and help FFF continue our mission!
